

NGĀ WAIRAU BLUE GREEN NETWORK

Community Meeting 19 November 2026

aucklandcouncil.govt.nz

Come along to this community hui to hear about progress on the Ngā Wairau blue-green network programme and join the kōrero as Wairau moves from recovery to regeneration.

When: Thursday 19 November

Where: Milford Baptist Church
3 Dodson Avenue
Milford.

5.00pm Free sausage sizzle, meet the project team and Community Advisory Group.

6.00pm Community meeting starts.

What to expect:

This hui is about sharing the progress and the high-level direction of the blue-green network including next steps for Tōtara Vale, Milford and A F Thomas Park. It's not a presentation of final designs, and we don't have property-level information to share at this stage.

Hear from our panel:

Councillor Richard Hills — on why this work matters for Auckland's climate resilience and future generations.

General Manager Commercial and Property, Mace Ward — on storm-affected properties, land use and what happens next.

Healthy Waters Manager – Manager Regeneration – Blue Green networks, Sara Zwart — on project progress, the process for Stage 2 designs and next steps.

Ngā Wairau Community Advisory Group (Grow Collective) Dave Atkinson— on how local voices are shaping the project.

Bring your questions, there will be time for open discussion.
