GROW Collective Nile Road Beautification Project

MILFORD RESIDENTS ASSOCIATION

SUNFLOWER MEADOW

Seed Sowing Pop-up

Following the Auckland Anniversary Floods, 138 houses in Milford are in the process of being removed. Grow Collective is working with the community to turn one of these storm affected properties into a sunflower meadow.

Milford Residents Association is hosting a seed sowing pop-up, providing Milford residents an opportunity to contribute to this wonderful community initiative.

Saturday 21st November
10.30am - 12.30pm
Milford Square (Outside New World)

"To sow a seed is to plant a narrative of future possibility. It is an action of hope." - Sue Stuart Smith
